REMARKS It has been 30 days since the DDO approved our transfer of OSS records to NARS but asked us to await a more propitious time. The attached Form 258 is the formal offering document. It will take NARS 30 to 40 days to process it. The actual date for transfer of records will be sometime after that and may be adjusted at our discretion. The latest report from NARS is that they do not plan to make the transfer a public relations event because it will take them at least a year to prepare the records for public research and they do not wish to be deluged with requests for access to the records in the meanwhile.

DO NOT use this form as a **RECORD** of approvals, concurrences, disposals, clearances, and similar actions
